32nd Annual Conference
June 5th, 2018

To whom it may concern,

Each year, the New Jersey Association of Library Assistants provides an educational and growth development conference for library staff and para-professionals. This year, NJALA will host a one-day conference on Tuesday, June 5, 2018 at the Mercer County Community College Conference Center.

The conference will consist of several workshops and a keynote speaker. Participants chose workshops or discussions that are of interest and would help develop professional skills in their work environment. Guest speakers volunteer their time and resources to participate in the conference, providing an educational day for a group of library assistants.

Attendees and guest speakers receive a continental breakfast and lunch. An NJALA tote bag with conference information and materials is distributed to approximately 200 participants. For 31 years, NJALA has financed the conference with funds acquired from registration fees and sponsor donations.

We are looking for new and continuing sponsorship to provide this opportunity for library assistants. Your generosity would be greatly appreciated. We will gladly accept donations in the form of money, products, or merchandise from your company, these donations will be distributed to the conference participants. Your sponsorship will also appear in the Conference Program (a copy will be sent to you with our appreciation). Additionally, we will recognize our sponsors on our website and Facebook page.

If you would like to sponsor this exciting conference, please complete the 2018 Conference Sponsor Application and return it to our Immediate Past President, Pamela C. Kirby of Montclair State University, Sprague Library, 1 Normal Avenue, Montclair, NJ 07043. If you have any questions please call 973-655-4302 or email kirbyp@monclair.edu.

Thank you for your consideration.
